## TENTRINI

## PRETERM AND FALTERING GROWTH NUTRITIONAL PRODUCTS

This leaflet is intended for healthcare professional use only.

Foods for Special Medical Purposes should only be used under medical supervision, after full consideration of the feeding options available, including breastfeeding.

The Nutrigen and Infatrini ranges are suitable for infants from birth, and/or as part of a balanced diet from 6 months.

The Fortini range is suitable for children from 1 year of age.

The Nutrini range is suitable for children aged 1-6 years or 8-20kg in body weight.

The Tentrini range is suitable for children aged 7-12 years or 21-45kg in body weight.

Please refer to labels for details.

For all preterm enquiries call 0800 996 1234

For all faltering growth enquiries call 01225 751098

Nutricia Ltd,
